DISCUSSION

The Petitioner filed an appeal, because the Department of Health Services denied a request from [REDACTED] [REDACTED] to provide personal care services to the Petitioner. A hearing took place on July 13, 2016, but on July 15, 2016, the Petitioner contacted this administrative law judge and indicated that [REDACTED] has gone out of business and that he is switching to a new provider.

Because the Petitioner is no longer seeking personal care services from [REDACTED], the appeal is moot and must be dismissed.

The Petitioner's new provider must submit a new prior authorization request to get authorization to provide personal care services to the Petitioner.

If I have misunderstood the situation, the Petitioner is directed to the rehearing instructions below.
